

Volunteer Appreciation Tea

On April 19th of National Volunteer Week there was a lovely gathering of the community of volunteers for a celebration. More than 80 people contribute to the loving, caring family of people that make up the Luther Court volunteer community.

Volunteers bring their gifts of time, energy, wisdom and most of all their heart to most parts of life at Luther Court. People take on various tasks such as assistance with Activities, Hair Salon, Garden Café, Gift Shop, Board of Directors, Devotions, Maintenance, Family Council, Entertainment, Choirs and Music, Visiting, Adult Day Programming, Pet Therapy, Worship and Communion, Games, Gardening...

The day was marked with some delicious cheesecake dressed with fruit and a touch of mint leaf. The room was decorated with the theme of connections and community in mind and the air was filled with Harp music by Philipp Gawthrop. Volunteers were presented with a certificate of appreciation along with a long stemmed Gerbera Daisy.

Thank you to all Volunteers and helpers of the day!
