

Thanksgiving 2020

Dear friends and families of Luther Court,

“(We) can no other answer make but thanks, and thanks, and ever thanks.”

Wm. Shakespeare

These last six months have been very difficult for everyone as we continue to do our best to be responsive, caring and kind through this COVID-19 time. Thank you so much for all the support you have shown, and continue to show, our residents and the Luther Court staff and society. Your support and warmth are truly valued by us all.

We know that this time has been particularly trying for our residents and tenants, as well as for you, their beloved family and friends. We know, too, that, due to Covid-19, you have been limited in the time you have been able to spend with your loved one, and we appreciate so much the patience you have shown as we strive to offer as much visiting time as possible, in the most personal ways possible, while ensuring the safety of our residents.

We on the Board of Directors have been walking this journey with you. Our Executive Director, Karen Johnson-Lefsrud, shares with us the support you have shown Luther Court and the staff, and the letters she has been sending out to you informing you of all the events, as well as the changes in process, that have occurred during the past six months. We are so very thankful for Karen, her Leadership Team and all the staff for the warmth, wisdom and humour with which they have taken on the challenges of this pandemic. Most of all, we are thankful for the compassion and caring they show as they quietly support our residents every day.

But we also want to take time in this Thanksgiving season to express our profound gratitude to YOU for the wonderful and heartwarming support you have shown the Luther Court staff in so many ways – especially for your expressions of gratitude to them for their caring and efforts through days that are sometimes very tough. We are also very grateful to you for the ways in which you have supported Luther Court financially. Your trust and support during this extraordinary time mean so much. You are truly appreciated by each of us. Thank you!

Sincerely,

Perry Monych, President
L.C.S. Board of Directors
